## ***Dead Horse Ranch State Park***

The Calvin “Cap” Ireys family came to Arizona from Minnesota looking for a ranch to buy. As the family searched for a ranch, they found one with a dead horse lying by the road. When the family asked the children which ranch they liked, they replied “the one with the dead horse” — the name stuck.

There are many things to do and see in the Park and surrounding areas. To make your stay more enjoyable we (and the Park) ask that the following rules be followed:
